

A black silhouette of a detective wearing a hat and holding a flashlight. The flashlight beam is directed towards the word 'Clueless'.

Clueless

Can you catch the
killer by carefully
collecting clues?

Case: The Killing of Clara Cartwright

Detective: Barry Bennet

Case Notes: Bennet is on thin ice, if he botches this case, I want him fired!

Some Commands:

Go-the best way to move around

Help-for when you're in a pinch

Look-always be aware of your surroundings

Take/Drop-for all the clues along the way

Equip/Unequip-for some fun apparel

Lock/Unlock-for any pesky doors that block the way

Examine-to take a closer look

Back-for when you regret leaving your last location

Press-for all the buttons you could ever want to press

Eat-sometimes you get hungry

Talk-to interrogate witnesses

Quit-if you feel yellow-bellied
